

NETI ADVISORY

June 8, 2020

MEMORANDUM TO : **ALL NEA OFFICIALS AND EMPLOYEES**

SUBJECT : **ONLINE TRAINING PROGRAMS**

In view of the Corona Virus Disease (COVID 19) pandemic that brought an alarming public health concern to every part of the world and pursuant to the directive of President Rodrigo R. Duterte, all mass gatherings, like trainings, seminars, conferences and other events were suspended.

NEA needs to ensure the continuity of its services to the Electric Cooperatives (ECs), Member- Consumer - Owners (MCOs) and other stakeholders despite this Herculean challenge of adapting the "new normal".

This "New Normal" implores this Agency to innovate further and maximize the use of both existing and new technologies in majority of its operations, limiting the face-to-face interactions and shifting to virtual or online platforms. One of the major innovations, which becomes prevalent during these times is the introduction of webinars and online classes, steering away from the traditional learning pedagogies. NETI yearns to continuously deliver learning and development interventions and remain committed in empowering NEA workforce by continuously offering them with learning activities that will make them explore their potentials in areas within and beyond their competencies.

For the benefit of our employees, below are **free** courses offered by both the government and private sector:

1. TESDA Online Program on the following areas of competencies:

- | | |
|--|---|
| 1. 21st Century Skills | 7. Human Health/ Health Care |
| 2. Agriculture | 8. Information and Communication Technology |
| 3. Automotive | 9. Maritime |
| 4. Electrical and Electronics | 10. Process Food and Beverages |
| 5. Entrepreneurship | 11. Social, Community Dev and Others |
| 6. Heating, Ventilation and Air Conditioning | 12. Tourism |

At the end of every module, you will immediately earn an electronic Certificate of Completion. For courses which will enable you to earn a National Competency II certification, a technical assessment is required. You will need to go to TESDA Assessment Centers and be subjected to their technical usual assessment procedures to secure the NC II certification.

Kindly refer to this link for more details and for your registration: www.e-tesda.gov.ph.

2. For the middle-managers, supervisors, and implementers of projects, you are invited to FREE on-line learning and mentoring sessions aimed to develop 21st Century skills needed for sustainable development on Mondays and Wednesdays at 6:00 to 7:30pm starting 08 June 2020 via Zoom.
