**MEMORANDUM NO. 2018 - 040**

TO : ALL ELECTRIC COOPERATIVES (ECs)  
SUBJECT : Calendar Year 2017 EC Overall Performance Assessment and Size Classification

**Congratulations to Regions VI, VII and CARAGA for sustaining their exemplary performance having all ECs rated as AAA (Triple A).**

The ECs' performance level for Calendar Year 2017 manifested relatively impressive ratings as NEA and the ECs remain as steadfast partners to ensure the sustainability of program implementation and empowerment of member-consumer owners (MCOs).

The highlights of the 2017 EC Overall Performance Assessment are the following:

1. Region VIII being the most improved region. Ten out of eleven ECs were evaluated as AAA from seven ECs in 2016
2. The number of AAA ECs increased to 87 from 78 in the past year while seven remained at D rating. Seventy six (76) ECs were able to maintain AAA rating; eleven (11) ECs were able to improve their rating to AAA from either AA, A or B
3. Thirty-three (33) ECs obtained perfect score in all performance parameters
4. A total of 101 ECs or 83% are now under either AAA, AA or A rating

We reiterate our commendation for ECs of Region VI, VII and CARAGA for continuing to excel in their respective operations.

It is worth citing that despite operational challenges, twenty (20) ECs were able to improve their performance rating along all level. Those which need further improvements in overall performance should reassess existing programs and implement more aggressive strategies to address major problems and concerns

We also attached the Size Classification of ECs. The number of Mega Large increased to 64 from 60. Four Extra Large ECs improved to Mega Large, another four from Large to Extra Large and one from Medium to Large. There are three classified as Medium and four others as Small ECs.

Finally, the attached result of the 2017 EC Overall Performance Assessment and Size Classification shall serve as the bases for the upward and downward implementation of benefits, allowances and incentives of EC officials and employees. Such adjustment shall take effect July 2, 2018.
