B. TERMS OF REFERENCE			
RCOA Reduction	The Buyer shall be entitled to a reduction in its Contracted Capacity and Contracted Energy as a result of the transfer of any of the Buyer's captive customers to the contestable market.	We propose adding a Scenario 3: If the Transferring Customer transfers to a RES that is not an Affiliate of the Seller, but is an Affiliate of any of the Buyer's power suppliers. In this Scenario, Buyer shall NOT be entitled to RCOA reduction. Reduction in Contracted Capacity and Contracted Energy will be applied to the PSA of the power supplier affiliated to the RES of the Transferring Customer.	Denied. In case the contestable customer opts to transfer to the affiliated RES of the Buyer's existing power supplier, the reduction will be applied only if there is a provision for reduction in the PSA with the said power supplier. Otherwise, the issue will be brought to the ERC for decision.
Force Majeure	Distribution Utility and the Power Supplier shall jointly establish plans for operating the power plant during Force	1. Please elaborate further particularly on the purpose and procedures to be followed among others.	The business continuity plan or recovery plan of the Seller and the Buyer shall be discussed and
