Bid Bulletin No. 2019-003
November 4, 2019

TO ALL PARTICIPATING BIDDERS:

Please be informed that MARELCO-TPBAC is still in the process of finalizing the Terms of Reference and Instruction to Bidders giving consideration to what have been transpired and agreed upon during the 2nd Pre-bid Conference held on October 22, 2019. Hence, we cannot issue the Final Instruction to Bidders today as stated in Bid Bulletin No. 1 dated September 24, 2019.

Also, please take note that one important decision that was agreed upon during the 2nd Pre-bid Conference is for MARELCO to take lead in identifying appropriate locations for plant sites. For this reason, bidders who have already locked-in arrangement with land owners are hereby requested to modify their arrangements to remove exclusivity to enhance competition and protect public interest.

To harmonize all our actions, so that everything will be in the right perspective, new schedule of activities shall be issued henceforth. Thus, for proper dissemination, all bidders are requested to submit only one (1) "official" e-mail address and the authorized representative or contact person to be provided with all Bid Bulletins and other communications.
