NEA MEMORANDUM No. 2004-019

FOR : ALL ELECTRIC COOPERATIVES
SUBJECT : MONTHLY REPORT ON THE STATUS OF RURAL
ELECTRIFICATION PROGRAM
DATE : 6 September 2004

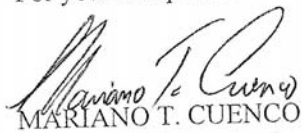

As major components in facilitating the systematic and orderly submission of monthly reports on the status of rural electrification, we highly recommend the adoption of the attached format for this purpose.

This format summarizes each respective EC's accomplishments for the month in terms of barangay/sitio energization and consumer connection. However, this must be supported by the individual data (connection/membership) on a per barangay level.

We would appreciate receiving your reports on a regular basis not later than the 15th day of each succeeding month for our consolidation.

Once again, we would like to solicit your utmost cooperation and support in our desire to develop a uniform reporting system.

For your compliance.
