Dear Admin. Bueno:

The Decisions/Orders issued by the Commission pertaining to the electric cooperatives' (ECs) unbundling cases set forth a number of directives for the ECs to comply. However, records show that a number of ECs have failed to comply with the said directives.

In view of the above, we would like to request your assistance in reiterating to the ECs their strict compliance with this Commission's directives. Otherwise, the Commission will be constrained to issue Show Cause Orders for non-compliance of ERC Rules.

We continuously count on NEA's support on this matter.

Very truly yours,
