NEA MEMORANDUM No. 2005-007

**F O R** : **ALL ELECTRIC COOPERATIVES**  
**SUBJECT** : **SITIO/PUROK ELECTRIFICATION**  
**D A T E** : **22 March 2005**

\*\*\*\*\*

Starting CY 2003, NEA has started the monitoring and compilation of sitios/puroks as an indicator of electrification accomplishments in addition to municipalities/cities, barangays and connections. We have likewise programmed the development of the Sitio/Purok Database in preparation for the 100% energization by 2018.

In this regard, may we request for validation of the attached listing/summary of your previous submittals on energized sitios/puroks. In case there are still unreported energized sitios/puroks in your coverage area, please provide us with this list. Further, please be advised to include data on the status of sitio energization in your monthly status report of energization (barangay/connection) using the prescribed format.

Once again, we would like to solicit your utmost cooperation and support in this undertaking.

For your compliance.
