Dear Congressman Valdez:

This pertains to the unpaid accounts to different electric cooperatives incurred by our PNP offices amounting to **Php 16,568,546.21**. This obligation was emphasized during the House Committee on Appropriations Sponsorship and Budget Deliberation on the FY 2006 DILG Budget Proposal last March 23, 2006. The settlement of these accounts with the different electric cooperatives nationwide was reiterated as a prerequisite in the approval of the proposed budget.

In connection with this, we would like to assure your good office that the PNP has a significant regard on this matter and that various measures have been considered if only to resolve the said unpaid accounts.

Likewise, this is to inform you that the unpaid electric accounts will be settled as soon as possible upon coordination with the Association of Philippine Electric Cooperatives (APEC) Party List Representatives.

Thank you for your unwavering support to the PNP.

Very truly yours,

ARTURO C LOMIBAO
Police Director General
