NEA MEMORANDUM No. 2006-013

TO : ALL EC General Managers

SUBJECT : 2007 and 2008 Barangay Energization Program

This has reference to the 10-point agenda of President Gloria Macapagal Arroyo and commitment of both the DOE and NEA regarding the Barangay Electrification Target of 100% by CY 2008.

To attain the objectives, NEA's CORPLAN and Engineering Departments coordinated with the concerned ECs in coming up with the confirmed list of 200 Barangays for energization this year using NEA Subsidies. For CY 2007 and 2008, however, you are instructed to firmly identify your Barangays for energization. The proposed list should include Barangays for grid connection and is clear from any "lateral" electrification plan. To further this exercise, you are to submit corresponding staking sheets and other pertinent documents to NEA Corplan by **30 July 2006**.

For your strict compliance.

Thank you.
