NEA MEMORANDUM No. 2006-027

TO: ALL ELECTRIC COOPERATIVES (ECs)

SUBJECT: First Semester 2006 Categorization Advisory

Attached is a copy of the first semester 2006 Categorization of ECs which contains the evaluation of your six-month performance and reflects how you are faring in the different operational parameters set by the NEA.

To ensure the attainment of your 2006 targets, we advise those with below-standard ratings to focus on the areas where your performance ratings are low. Those with high ratings are encouraged to continue to strive for excellence.

This advisory does not authorize any upward or downward benefits or incentives but is released as a fair notice to all ECs. The final and official 2006 category ratings of ECs shall be released in the first quarter of 2007.
