NEA MEMORANDUM No. 2006-029

TO : **ALL EC GENERAL MANAGERS**

SUBJECT : **ERC's Extension of Deadline for the Application for Approval of Caps on the Recoverable Rate of Distribution System Losses**

As per the attached letter from Commissioner Jose C. Reyes of the Energy Regulatory Commission (ERC) dated 05 October 2006, please be informed that the deadline for the application for Approval of Caps on the Recoverable Rate of Distribution System Losses has been extended to 31 January 2007. ERC will issue a resolution to this effect in order to allow distribution utilities (DUs) more time to prepare and submit their respective petitions.

We hope that all ECs will take advantage of this extension.

Thank you.

Dear Ms. Bueno:

The Energy Regulatory Commission (ERC) takes cognizance of the concerns of the Distribution Utilities (DUs) during the consultation conducted on September 13, 2006 regarding the status of the DUs' preparation of petitions in compliance with Article IV (Filing Requirements and Procedures) of the "Guidelines for the Application and Approval of Caps on the Recoverable Rate of Distribution System Losses".

In this regard, please be informed that the ERC has decided to extend the forthcoming deadline and allow DUs to submit their respective petitions on or before January 31, 2007. A resolution will be issued to this effect.

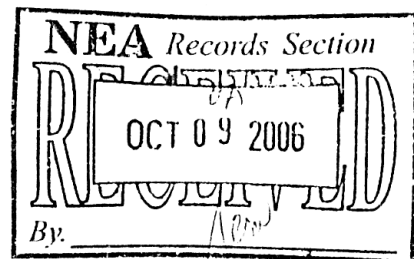

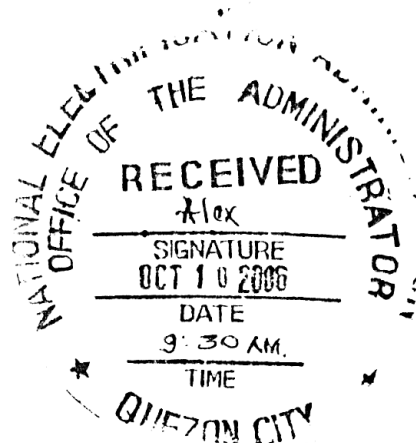

Should you have further concerns regarding this matter, please contact the Standards and Compliance Monitoring Division of the Regulatory Operations Service at telephone no. 914-5000 locals 121 or 122.

Very truly yours,

JOSE C. REYES
