MEMORANDUM NO. 2007-013

TO : ALL ELECTRIC COOPERATIVES

SUBJECT : EC Task Force Halalan Coordination

In line with the activities related to the conduct of elections, in which we are to play a very important role of ensuring uninterrupted and reliable power supply before, during and after the elections, we would like to advise you of the following:

- Coordinate with your local Philippine National Police (PNP) or the Armed Forces of the Philippines (AFP) for the protection and security of your Substations, Transformers, and distribution lines for the entire duration of election related activities, especially during the election day itself and the canvassing of votes in the election precincts
- Task your Radio Operators to be on-call status and render a 24-hour round the clock duty from May 11 – 19, 2007 to monitor, update reports, and speedily transmit communications to our Energy Task Force Halalan Command Center, Transco, Quezon City

As key implementors of the Rural Electrification Program, we are duty-bound to ensure power interruption-free election day in our respective coverage areas.

Let us contribute to make these elections clean, honest and credible.
