

Republic of the Philippines
National Electrification Administration

24 March 2008

MEMORANDUM No. 2008-002

TO : ALL ELECTRIC COOPERATIVES (ECs)
SUBJECT : Calendar Year (CY) 2007 Categorization and Classification of ECs

The ECs' performance level for the year 2007 produced relatively impressive rating results as NEA tends to be more focused in serving the ECs with the end view of improving their viability in an open access environment.

For the period under review, results revealed the following:

1. Twenty (20) ECs belonging to Regions VII, X, and XI all attained a Category A+ rating, thus, earning the most outstanding performance as a region. This was made possible through a strong collective leadership and teamwork among ECs in their respective regions.
2. Category A+ ECs increased to 61 from 52 in the past year while 14 remained under Category E or non-complying.
3. Six (6) ECs garnered perfect score of 100 points including ZAMSURECO I which showed remarkable performance improvement from Category B (73 points) to A+ (100).
4. For the first time, system loss reached a national average of 13.87%, thereby attaining a level below the approved cap of 14%. Fifteen (15) ECs, just like last year, posted a single-digit mark.
5. Some ECs deteriorated in their collection performance resulting to the reduction in national average level of 95% from 96% in 2006.

While the combined efforts of NEA and the ECs gained positive results in system loss reduction, it is still an essential area in coop operations where we need to further improve. The demand for lowering power rates is imminent where reducing power losses as well as operating expenses can help.

In further preparation for competition, enhancement of the categorization criteria is currently being undertaken in order to be more responsive and reflective of the obtaining circumstances in cooperative operations. The enhanced categorization criteria shall be released in April 2008, and shall be effective for year 2008 evaluation.

Finally, the result of the 2007 Categorization and Classification, as attached, shall serve as basis for upward and downward implementation of per diems and allowances. Such adjustment shall take effect 01 April 2008.
