Quezon City

02 September 2008

**MEMORANDUM No. 2008-022**

**TO :** ALL ELECTRIC COOPERATIVES (ECs)  
**SUBJECT :** First Semester 2008 EC Categorization Advisory

.....

The attached First Semester 2008 Categorization of ECs provides the six-month performance based on the enhanced criteria issued per NEA Memorandum No. 2008-019. Ninety-three (93) ECs which were able to submit the required June 2008 Monthly Financial and Statistical Report (MFSR) are included in the evaluation.

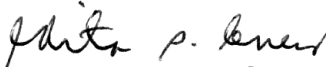

Some ECs have shown improvement in system loss performance with CEBECO III posting the lowest, another milestone at 5.93% from 6.42% in 2007. Aside from the twelve (12) ECs which have maintained single digit system loss, three (3) ECs were able to improve to this level namely: BUSECO (9.70 % from 14.24%), TARELCO II (9.71% from 10.81%) and NEECO II – Area 2 (9.66% from 11.36%). The possibility for several ECs to attain single digit system loss at the end of this year is evident as indicated by the trend in system loss reduction for the first semester of 2008.

The huge cash advances and non-power expenditures above the approved level are however significant factors which affected some of the ECs' categorization. Thus, these ECs are advised to strictly effect immediate liquidation of cash advances and to confine their non-power expenses within the approved cash operating budget.

Congratulations to those which earned good ratings. You are encouraged to continue to strive for excellence. Those ECs with below standard ratings are enjoined to re-assess existing programs and strategies to ensure attainment of targets and goals.

This advisory does not authorize any upward or downward adjustments on per diems and allowances but is issued as fair notice to all ECs. The final and official 2008 Categorization of ECs shall be released in the First Quarter of 2009.

Finally, this document can be made available at NEA's website: [www.nea.gov.ph](http://www.nea.gov.ph).
