MEMORANDUM No. 2009-007

To : ALL ELECTRIC COOPERATIVES (ECs)
Subject : Calendar Year (CY) 2008 Categorization and Classification of ECs

The enhanced criteria for Categorization issued on 17 June 2008 was applied in the evaluation of 2008 operational performance to be more responsive and reflective of the obtaining circumstances in the operations of ECs.

The result of the CY 2008 Categorization assessment shows the following:

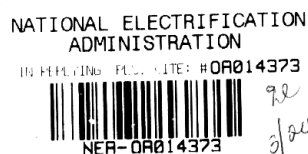

1. Nineteen (19) ECs posted a single digit system loss mark, an improvement from fifteen (15) in 2007. CEBECO III was able to register the lowest system loss level in the grid at 5.17%. These contributed to the national average system loss of 13.19%.
2. Sixty-two (62) ECs attained Category A+ while twelve (12) remained under Category E or non-complying.
3. Fourteen (14) ECs improved in their respective Categorization while eighty (80) and six (6) maintained and retrogressed, respectively.
4. Regions VII and XI were able to sustain their exemplary performance for having all member-ECs rated A+.
5. The national average collection efficiency remains to be below the standard of 95% as recorded at 94.37% level.

On the Classification of ECs, the number of Mega-Large increased to thirty-six (36). Two (2) Extra-Large ECs improved to Mega-Large; another two (2) from Large to Extra-Large and one (1) from Medium to Large. Only five (5) ECs fall under the Small Classification.

As we congratulate those ECs which registered system loss reduction, the NEA and ECs should strive to further improve in this area in order to comply with the recently approved cap of 13% that will take effect in January 2010. The ECs are also advised to re-assess existing programs and to implement appropriate strategies to boost collection efficiency to meet their financial obligations. We likewise encourage the ECs to foster stronger collective leadership and teamwork to cope with the heightened demands of the industry and the present financial crisis.

Finally, the attached result of the 2008 Categorization and Classification shall serve as basis for upward and downward implementation of per diems and allowances. These shall take effect on 01 April 2009.
