MEMORANDUM No. 2010-014

MEMORANDUM TO ALL ELECTRIC COOPERATIVES (ECs)

ATTENTION : General Managers

SUBJECT : **OFFICIAL TERMINATION OF TASK FORCE OPERATION
BANTAY KURYENTE**

The historical and first conduct of poll automated elections in this country have been concluded, and national vote counting is still on-going (58% at 12 midnight, May 10). From 07 May until 10 May, Election Day, you have well-secured and maintained your distribution facilities, coordinated with our energy partners and other sectors to help ensure the orderly, honest and clean conduct of this political exercise.

We shall be officially closing the operations of the Task Force at 5 pm today. Though for any significant power-distribution related incident, you are advised to still report the same to NEA through Deputy Administrator Edgardo R. Piamonte. A terminal report shall be prepared for the DOE Secretary and the NEA Board.

With this, we CONGRATULATE and SINCERELY THANK YOU and your Counterpart Team for the support and cooperation that you have extended to NEA and the Energy Family.

NEA and the ECs have indeed been a strong and reliable partner to the relatively successful conduct of the country's first poll automated elections.
