MEMORANDUM No. 2011-005

TO : ALL ELECTRIC COOPERATIVES (ECs)

SUBJECT : Tentative Result of the Year 2010 EC Categorization

Attached is the tentative result of the Year 2010 EC Categorization. The EC Categorization Committee applied the same set of criteria used in the evaluation of the ECs' operational performance for Year 2009. However, revision of the Categorization criteria and the crafting of other performance standards which shall be applied starting performance Year 2011 is presently being undertaken by NEA in consultation with the ECs.

In this regard, ECs are given the opportunity to review their own Categorization standing, and if reconsideration is to be pursued, please submit pertinent documents to the Strategic Planning Division, Corporate Planning Office not later than 10 March 2011 to support your request. The official result will be released by 25 March 2011.

This document can be accessed through the NEA website:
