In line with our celebration of the National Electrification Awareness Month in August and to support Executive Order No. 43, President Aquino's National Greening Program (NGP), we shall implement together with the ECs a Nationwide Tree Planting Activity on 31 August 2011.

As such, you are requested to coordinate with your respective Provincial or Community Environment and Natural Resources Officers (PENROs/CENROs), a copy of the list is attached, and as contained in the Memorandum of Agreement we signed with the Department of Environment and Natural Resources (DENR) in 2009, for the allocation of seedlings for NEA and the ECs, recommended site/location and technical assistance.

ECs with mini-hydro facilities shall give priority for tree planting sites to the watershed. The DENR also directed us to make sure that plans on maintenance and proper caring of the seedlings should also be part of our program.

As requested by the DENR for documentation and coordination, please submit to *Mr. Guillermo M. Paz, Management Assistance Group and Chair of the NEA-ECs' Nationwide Tree Planting Activity*, or email at [spdcorplan@yahoo.com](mailto:spdcorplan@yahoo.com), the following on or before 15 August 2011:
