MEMORANDUM No. 2012-005

TO : ALL ELECTRIC COOPERATIVES (ECs)

SUBJECT : Tentative Result of the Year 2011 EC Categorization and Classification

The tentative result of the Year 2011 EC Categorization and Classification is attached. The EC Categorization and Classification Committee applied the Enhanced Criteria for Categorization issued to all ECs per Memorandum No. 2011-016 dated 19 July 2011. An additional one (1) incentive point was considered for every ten (10) sitios energized during the period, provided that the total point score for this criterion (major and incentive) shall not exceed five (5) points.

In this regard, ECs are given the opportunity to review their own Categorization and Classification standing, and if reconsideration is to be pursued, request should be submitted to the EC Categorization and Classification Chairperson Francisco A. Caymo, Strategic Planning Division, Corporate Planning Office not later than 20 March 2012, including pertinent documents to support the request. The official result will be released by 26 March 2012.

These documents can be accessed through the NEA website: www.nea.gov.ph.
