**ADVISORY**

TO: ALL Electric Cooperatives (ECs)

=====

This is to express my deepest gratitude for the warm welcome and greetings extended upon my recent appointment as the NEA Administrator.

I understand that there are requests for personal courtesy calls in my office. However, may I appeal for your indulgence and kind understanding if I may not be able to attend to your requests until December 31, 2016 given the magnitude of work, NEA internal concerns and hectic schedule for meetings which I have to attend to at present.

Rest assured that as soon as opportunity permits, I will be most happy to accommodate your requests, meet and see you all.

Thank you.
