The TPBAC agreed for a 2.6% CPI to be used as common CPI for the bidders to use for the purpose of evaluation only to determine the LCB. However, actual CPI will be the basis in rate adjustments during the contract implementation whoever the winning bidder is. (Sourced of 2.6% is Table B Year-on-Year Inflation Rates in the Philippines, All Items In Percent January 2016-December 2020 (2012-100), Year 2020, Average, <i>Published on psa.gov.ph/price-indices</i>). For the purpose of evaluation, CPI values year 1 is 0 and for year 2-9 is 2.6.
