THIRD PARTY BIDS AND AWARDS COMMITTEE

## SUPPLEMENTAL/BID BULLETIN

NO. 2023-01-04

**PROJECT** : COMPETITIVE SELECTION PROCESS FOR THE PROCUREMENT OF THE 18.5MW  
BASELOAD POWER SUPPLY REQUIREMENTS OF BASILAN ELECTRIC COOPERATIVE, INC.

**SUBJECT** : BID BULLETIN NO. 4

**DATE** : January 24, 2024

Per TPBAC Resolution 1, this Bid Bulletin No. 4 is issued to advise Bidders that the Competitive Selection Process ("CSP") for the Procurement of the 18.5 MW Baseload Power Supply Requirements of BASELCO shall be terminated.

During the course of the CSP process, it has become apparent that certain portions of the Terms of Reference ("TOR") have to be revisited and revised.

Following pertinent issuances of the Department of Energy ("DOE"), the Energy Regulatory Commission ("ERC"), and the National Electrification Administration ("NEA"), the current CSP should conclude by February 2024. Foreseeing that BASELCO would not be able to conduct and conclude the CSP by February 2024, BASELCO deems it best to restart the CSP proceedings, with a fresh 180-day period.

Accordingly, BASELCO is constrained to terminate the current CSP and **restart the CSP proceedings by submitting a new TOR for approval of NEA**. BASELCO will then publish a new Invitation to Bid after securing the necessary approvals.

Please feel free to contact **Ms. Laarnie S. Degamo**, TPBAC Secretariat, with cellphone #0975-389-7048 or email at [baselco\\_inc@yahoo.com](mailto:baselco_inc@yahoo.com) regarding this matter.

Please be guided accordingly.
