MEMORANDUM NO. **2022-56**

TO : ALL ELECTRIC COOPERATIVES

SUBJECT : National Energy Consciousness Month (NECM) Celebration

In celebration of the National Energy Consciousness Month (NECM) with the theme "DOE@50: Spearheading a Sustainable Energy Future", the Department of Energy (DOE) will be holding activities to commemorate the said occasion.

The National Electrification Administration (NEA), as an attached agency of the DOE, has an important role in creating awareness on the importance of energy efficiency and conservation to address the complex challenges in the industry.

In order to intensify the campaign and facilitate information dissemination to wider audiences, the Electric Cooperatives (ECs), as NEA's partners, are enjoined to actively participate in the celebration of the NECM through the following initiatives:

1. Posting/display of tarpaulin/banner in the EC's respective offices, and
2. Promoting NECM on the EC's respective social media pages.

The template of the NECM tarpaulin/banner can be downloaded from the NEA website www.nea.gov.ph.

For any query, please contact the Corporate Communications and Social Marketing Office (CCSMO) at Telephone No. (02) 8929-1909 local 153 or (02) 8929-2237.

We look forward to your continued support in this undertaking.
