MEMORANDUM NO. 2022-39

TO : ALL THE ELECTRIC COOPERATIVES

SUBJECT : 2022 NEA-ECs SIMULTANEOUS LINE CLEARING AND TREE PLANTING ACITIVITY

The National Electrification Administration, in the celebration of its 53rd Anniversary and 13th National Electrification Awareness Month (NEAM), has lined up different activities significant to this event.

This year, with the theme "*NEA at ECs: Magkatuwang sa Pag-unlad at Pagkakaisa Tungo sa Bagong Pag-asa,*" ECs are encourage once more, to enjoy the conduct of the **2022 NEA-ECs Simultaneous Line Clearing and Tree Planting Activity which will be held on 26 August 2022.**

To highlight the said event, the NEA together with BATELEC I will conduct a joint activity in Calatagan, Batangas.

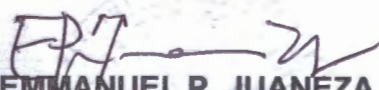

Further, ECs are requested to submit documentation reports like photos and videos; specific location of line clearing activity including length of cleared lines; and type and number of seedlings planted for the tree planting activity.

Documentation reports will be submitted through these email addresses nea.engineeringtod@yahoo.com and pao_nea@yahoo.com. For further guidance, you may coordinate with Director **Federico P. Villar, Jr.**, of the Engineering Department (ED) at the telephone number (02) 8928-3013, and/or through Acting Director, **Rhina H. Angue** of the Corporate Communication and Social Marketing Office (CCSMO) at (02) 8929-2237.

Sample designs of the promotional collaterals which may be used for the conduct of these undertakings will be posted on the NEA website (www.nea.gov.ph).

We look forward to your usual support and cooperation.

Thank you.
