ADMINISTRATOR EDITA S. BUENO
National Electrification Administration
Government Center, Quezon City

Dear **Administrator Bueno**:

On behalf of President Gloria Macapagal-Arroyo, I wish to thank and commend the National Electrification Administration for its vigilance in ensuring sufficient power supply during the conduct of this year's elections.

Likewise, I commend the electric cooperatives, through NEA, for undertaking and implementing the necessary measures to guarantee a reliable and steady power supply during the said period.

Task Force Halalan has been successful insofar as maintaining the delivery of supply and avoiding major incidents of power outages that could have disrupted the conduct of the synchronized national and local elections.

Thank you very much.

Mabuhay!

Very truly yours,
