REGULATORY ADVISORY NO. 04

TO : ALL ELECTRIC COOPERATIVES (ECs)
SUBJECT : Immediate Conduct of Competitive Selection Process (CSP) for Power Supply Procurement of ECs Affected by the Decision of Supreme Court

.....
In view of the Decision of the Supreme Court in *Alyansa Para sa Bayan Pilipinas, Inc. (ABP) vs. Energy Regulatory Commission (ERC), et al.* dated May 3, 2019, the Department of Energy (DOE) issued a Memorandum dated August 16, 2019 to all concerned Distribution Utilities (DUs) on the subject, "Competitive Selection Process (CSP) Advisory".

The ERC on the one hand, as Annexes to its Memorandum dated August 20, 2019 for the Office of the President (OP), identified the DUs with Power Supply Agreements (PSAs) that did not undergo CSP which are pending evaluation by the ERC, as well as DUs with PSAs which have been acted upon and have been granted Provisional Authority (PA) by the ERC but whose claim to have conducted CSP is still being validated whether it is supported by documents and whether the CSP conducted is consistent with the standards set by the ERC.

The affected ECs are, therefore, advised to undertake CSP immediately within one (1) year as prescribed under DOE's Advisory. The affected ECs are the following:
