Regulatory Advisory No. 2022-006

TO : ALL ELECTRIC COOPERATIVES

SUBJECT : Quarterly Submission of the Updated Power Supply Contracting (PSC) Report of the ECs

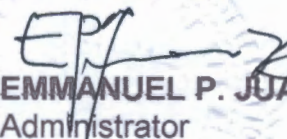

This is in line with the Department of Energy (DOE) Planning Workshop held on 26 January 2022 particularly the agreement and commitment on the issues and concerns relative to the 2022 Major Plans, Programs, and Policies, wherein NEA agreed and committed to submit to the DOE the Quarterly ECs' Approved Power Supply Contracting Monitoring Report.

Hence, all ECs are required to submit their updated Power Supply Contracting (PSC) Report on a **Quarterly** basis for NEA's monitoring to ensure a more reliable and secure power supply.

Please refer to the attached PSC Template for your reference.

We look forward to your usual cooperation and strict compliance.

Thank you.
