MEMORANDUM No. 2019-041

TO : ALL ELECTRIC COOPERATIVES (ECs)

SUBJECT : Calendar Year 2018 EC Overall Performance Assessment and Size Classification

Congratulations to Regions VI, VII and CARAGA for sustaining their exemplary performance and to Regions I and VIII which remarkably improved their operations, thus, having all ECs rated as AAA (Triple A). NEA also acknowledges Visayas as the top performing island among the three (3) major islands nationwide.

The ECs' performance level for Calendar Year 2018 was impressive. Although there were lots of challenges the NEA and the ECs encountered during the year, most of the ECs sustained their exemplary performance.

The highlights of the 2018 EC Overall Performance Assessment are the following:

1. Regions I and VIII are the most improved regions. All seven (7) and 11 ECs in the regions were evaluated as Category AAA
2. 87 ECs out of 121 are Category AAA; 23 of which obtained perfect scores in all the performance parameters
3. Nine (9) ECs improved their Category across all performance levels
4. 83% or 100 out of 121 ECs were evaluated either Category AAA, AA or A

We reiterate our commendation to the ECs of Regions I, VI, VII, VIII and CARAGA for excelling in their respective operations and to the leaders in the Visayas Regions who helped transform all 31 ECs as AAA and the prestige of being the top performing island nationwide.

Those ECs which need further improvements in overall performance should reassess existing programs and implement more aggressive strategies to address major problems and concerns.

Also, attached is the Size Classification of ECs. The number of Mega Large ECs increased to 66 from 64. SORECO II and CEBECO III improved to Mega Large from Extra Large, while QUIRELCO and MOPRECO to Extra Large from Large. BISELCO, likewise progressed to Large from Medium.

Finally, the attached result of the 2018 EC Overall Performance Assessment and Size Classification shall serve as the bases for the upward and downward implementation of benefits, allowances and incentives of EC officials and employees.
