MEMORANDUM No. 2011-001

TO : ALL ELECTRIC COOPERATIVES (ECs)
SUBJECT : **PLEDGE OF COMMITMENT**

On 03 December 2010, NEA and the ECs together with His Excellency, President Benigno S. Aquino III and DOE Secretary Jose Rene D. Almendras, celebrated the solidarity commitment of the volunteers to Task Force Kapatid (TFK)-Typhoon Juan at the Tarlac I Electric Cooperative, Inc. (TARELCO I) Headquarters in Gerona, Tarlac. The volunteers – our Warriors of Light – in the same occasion also presented an unconventional gift to the President – their Pledge of Commitment. The pledge, **"Panunumpa"** in Tagalog is the recitation of the wholehearted support which the TFK members are committed to fulfill in the interest of countryside development and equal opportunity for all, which runs parallel as well to the governance program of the President.

The **"Panunumpa"** is a reflection of the culture that permeates and grows deeply within the Rural Electrification Sector. It is a pledge of committed dedication to integrity and transparent governance to our country and people.

Thus, the attached Pledge of Commitment shall be part of the official pledge of NEA and the ECs. It is encouraged to be recited during flag-raising ceremonies and in any other major and fitting occasion. The regular recitation of the pledge shall ensure that each EC is well-reminded of its role in nation-building through the honest and committed performance of its officials and employees. The same can be translated and recited into the common dialect to provide more meaning and appreciation.

Your compliance is strictly enjoined.
