MEMORANDUM No. 2013-002 _

TO : ALL GENERAL MANAGERS OF
ELECTRIC COOPERATIVES

SUBJECT : SUBMISSION OF SITIO ELECTRIFICATION
PROGRAM (SEP) CY 2013 ++ (PLUS-PLUS)
AND CY 2014 SEP

During our SEP Summits/Workshops last year, it was mentioned that apart from the 2013 GAA funding approved for NEA, there might be additional funds forthcoming, what we call CY 2013 ++ (plus-plus).

This is the main reason why we are requesting the ECs to submit your 2014 SEP list so that we can get the "plus-plus list" from there. It is now evident that there are definite additional funds available.

In this regard, you are hereby instructed to revisit your CY 2014 list to identify the "plus-plus list" (to be implemented in CY 2013) and also, to accelerate your CY 2015 list to CY 2014. Please note that computed costs are needed for all list (using the exact kilometers of lines and MAT-DX) as your political stakeholders are closely considering the status of their requests with us on a constant basis. You are hereby instructed to submit all data, "plus-plus" and CY 2014 SEP list by 15 February 2013.

Submission should be addressed to corplanreppdd@yahoo.com in excel format.

For your compliance.
