MEMORANDUM No. 2013-014

TO : ALL ELECTRIC COOPERATIVES (ECs)
SUBJECT : 2013 NEA-ECs' Nationwide Tree Planting Program

We acknowledge with gratitude the participation of some 44 ECs nationwide in which 3,590 employees planted 21,562 seedlings in last year's NEA-ECs' Nationwide Tree Planting Program. This effort proved our active support and direct contribution to our country's holistic approach to a Greener Philippines towards climate change mitigation and sustainable development.

This year, we are encouraging all ECs to once again display our unity and solidarity as we join hands in this tree planting activity during our celebration of the National Electrification Awareness Month and in support to President Aquino's National Greening Program (NGP) under Executive Order No. 43.

As such, you are requested to coordinate with your respective Provincial or Community Environment and Natural Resources Officers (PENROs/CENROs) for the allocation of seedlings, recommended site/location and other technical assistance.

ECs with potential and existing mini-hydro power plants shall give priority for tree planting sites to the watershed. The DENR also directed us to make sure that plans on maintenance and proper caring of the seedlings should also be part of our program.

For proper documentation, please submit your accomplishments, photos and videos to *Mr. Guillermo M. Paz*, Manager, Consumer Development & Protection Division, Institutional Development Department and Chair of the NEA-ECs' Nationwide Tree Planting Program, or email at nea_cdpd@yahoo.com, on or before 30 September 2013, with the following data:

1. Date of Tree Planting
2. Location/Site
3. No. of trees planted
4. Source of seedlings
5. Number of participants
6. General plantation and maintenance plan

We look forward to your usual cooperation the EC way.

EDITA S. BUENO
