MEMORANDUM No. 2013-025

TO : ALL ELECTRIC COOPERATIVES (ECs)

SUBJECT : ELECTIONS FOR DISTRICTS WITH EXPIRED TERMS OF OFFICE

The essence of representation in the EC Board of Directors characterizes a democratic state, where all authority emanates from the people. It is however, exercised by the representatives chosen by them through an election. To have meaningful representation, the elected persons must always have a fresh mandate coming from the people.

As the business of power distribution is imbued with public interest, it is subject to regulation by the Government through the NEA, pursuant to the provisions of P.D. 269, as amended by Republic Act No. 10531.

ACCORDINGLY, pursuant to the powers vested in the NEA under existing laws, all electric cooperatives with member/s of the Board whose term had/have expired are hereby directed, not later than 31 January 2014, to conduct elections so to ensure that all District Directors carry the fresh mandate of their respective constituencies.

ECs covered by this directive, through their General Manager and Institutional Services Department Manager, shall submit their compliance report as soon as possible. ECs whose district elections have been previously scheduled within the year shall not be deemed affected by this issuance.
