

06 January 2017

ADVISORY

To : **ALL ELECTRIC COOPERATIVES**

Subject : **Malampaya Scheduled Maintenance Shutdown**

In a media statement, the Department of Energy has drawn measures to ensure safeguards of electricity consumers during the scheduled repair and maintenance shutdown of the Malampaya natural gas fields off the coast of Palawan from 28 January to 16 February 2017.

Energy Secretary Alfonso G. Cusi has directed stakeholders to guarantee the continued availability of electricity to protect consumers from any market abuses.

In this regard, electric cooperatives are hereby enjoined to be vigilant, prepared and must adopt necessary strategies to guarantee reliable and efficient supply of electricity to all member-consumers during this period.

For your guidance and compliance.
