## ADVISORY

TO : ALL ELECTRIC COOPERATIVES  
SUBJECT : EARTH HOUR CAMPAIGN 2017

---

In line with the Earth Hour Campaign 2017 of the World Wide Fund for Nature (WWF) Philippines, the Department of Energy (DOE) and the National Electrification Administration (NEA), as advocates of the Earth Hour Campaign, are once again supporting this movement to promote global awareness on the impact of climate change.

All Electric Cooperatives' officials and employees are enjoined to actively participate by switching off non-essential lights during this global "lights out" event on Saturday, 25 March 2017 from 8:30PM to 9:30PM.

Let us always participate in the Earth Hour to save Mother Earth.
