ADVISORY

T O : ALL ELECTRIC COOPERATIVES

In view of the on-going hostilities in Marawi City posing security risks in the island of Mindanao all electric cooperatives (ECs) are advised of the following:

1. In coordination with the Armed Forces of the Philippines (AFP), Philippine National Police (PNP) and local government authorities, secure all vital distribution system facilities, including EC headquarters, substations along with all electronic equipment and data management systems therein;
2. Proceed with pre-scheduled field and operational activities such as construction of lines, preventive maintenance and system upgrading, subject to the judgment of the EC leadership of security conditions on the ground; and
3. Conduct of the activities of Member-Consumer-Owner organizations and assemblies shall be upon the sound discretion of the ECs in coordination with local government authorities, including the AFP and PNP, in their coverage areas.

For your compliance.
