---

Please be reminded that RA 10531 requires all ECs, both stock and non-stock, to submit their annual DDPs to NEA for the latter's review, analysis and consolidated planning.

In addition to this, the Department of Energy (DOE) has reiterated this requirement to all ECs, in its electronic mail dated 05 January 2017. Series of deliberations are expected in February 2017.

May we expect your submittal (using the DDP form used last year) not later than 30 January 2017 at [corplanreppdd@yahoo.com](mailto:corplanreppdd@yahoo.com).

Thank you.
