MEMORANDUM No. 2017-014

TO : ALL ELECTRIC COOPERATIVES (ECs)

SUBJECT : CONTINGENCY PLAN AND PRECAUTIONARY MEASURES IN RELATION  
WITH THE PROCLAMATION NO. 216

Proclamation No. 216 issued by President Rodrigo R. Duterte has declared and placed Mindanao including the islands comprising the Mindanao regions in a state of Martial Law. The ongoing lawless violence, hostilities and acts of terrorism in Marawi City by elements of the Maute terror group has caused death and damage to properties and continuing to sow terror to the communities. These imminent threats of terror have the possibility of escalating in other parts of the country. Hence, all Electric Cooperatives (ECs) are directed to take precautionary measures to protect and secure all distribution system installations and facilities, and ensure continuous service in their respective franchise areas of operation.

Given the urgency of the matter, all ECs are hereby directed to submit before this Office a CONTINGENCY PLAN (including system maps with coordinates as to the location of major facilities, plans for improvements of the system for further precautionary measures, and other security plans) on or before May 31, 2017 for all ECs in Mindanao regions and on or before June 5, 2017 for all ECs in the Visayas and Luzon regions.

For your immediate and strict compliance.
