

04 July 2018

MEMORANDUM No. 2018-043 TO ALL ELECTRIC COOPERATIVES

SUBJECT: 2018 NEA-ECs' Nationwide Tree Planting Program

We acknowledge with gratitude the participation of the ECs nationwide in which the Board of Directors, Management, other stakeholders as well as NEA employees are involved in the yearly NEA-ECs' Nationwide Tree Planting Program which started in 2012. This effort has proven our resolve to actively support and directly contribute to our country's holistic approach to a Greener Philippines towards climate change mitigation.

Once again, we are encouraging all ECs this year to display our unity and solidarity by joining hands in this tree planting activity during our celebration of the 9th National Electrification Awareness Month (NEAM) which will be held simultaneously on August 31, 2018 and to support the ongoing National Greening Program (NGP).

As such, you are requested to coordinate with your respective Provincial or Community Environment and Natural Resources Officers (PENROs/CENROs) for the allocation of seedlings, recommended site/location and technical assistance.

ECs with mini-hydro facilities shall give priority to the watershed for tree planting sites. The DENR advised us to make sure that plans on maintenance and proper caring of the seedlings should also be part of our program.

For proper documentation, please submit your accomplishments, i.e photos and videos to *Mr. Guillermo M. Paz, Manager, Consumer Development & Protection Division and Chair of the NEA-ECs' Nationwide Tree Planting Program*, or email at nea_cdpd@yahoo.com, on or before 30 September 2018 with the following data:

- | | |
|---------------------------------|--|
| 1. Target Date of Tree Planting | 4. Source of seedlings |
| 2. Target Location/Site | 5. Number of participants |
| 3. No. of trees to be planted | 6. General plantation and maintenance plan |

We look forward to the usual cooperation the EC way.

Thank you very much.
